# ALMONT COMMUNITY SCHOOLS

Almont Community Schools is asking the community to consider on a \$58.4 million bond proposal to **fund additions and updates** to its four campus buildings so that the district can provide Almont students with an **education in a state-of-the-art learning environment optimized to best serve the needs of different learners**.

*This bond is expected to reduce the current school millage.*

## WHAT WOULD BOND APPROVAL MEAN FOR THE BUS GARAGE?

Bond approval for the bus garage would enable renovations and upgrades, ensuring the facility meets current standards and operates efficiently, while also enhancing security and safety measures.

### Security and Emergency System Improvements:

- Upgrade and addition of advanced security cameras
- Replace outdated emergency and exit lighting for enhanced safety and security throughout the premises.

### Building Exterior and Safety Enhancements:

- Install new gutters, downspouts, and underground drain lines
- Replace deteriorated siding, windows, and overhead doors

### Infrastructure and Accessibility Upgrades:

- Replace select concrete areas for improved durability and safety
- Add higher-capacity bus lift to enhance transportation facilities.

### Stormwater Management Improvements:

- Upgrade stormwater management systems to ensure effective drainage of rainwater
